

UNACTO 2021-2022 Season Strategy Outline

Introduction

As we emerge from the COVID-19 pandemic, we are presented with the opportunity to transform our world for the better in recovery. The health crisis has highlighted the urgency to meet the UN's [17 Sustainable Development Goals \(SDGs\)](#), having laid bare the failures of current policies and norms.

Social and economic inequalities, the climate crisis, and protecting peace and security are still challenges the world faces, with direct impacts at home in Toronto.

During the [Decade of Action](#), we must mobilize to embrace a shift in the way we live and deliver on change for people and the planet. The time to act is now.

Our Mission

UNACTO is dedicated to elevating the principles of the UN Charter and to accomplishing the 17 Sustainable Development Goals through innovative programming. Our work is guided by three core principles: integrity, inclusiveness and compassion.

We believe in building a better tomorrow by engaging the youth of the Greater Toronto Area and in growing global citizens through knowledge of the UN and its initiatives.

Vision for the Season

This season, overcoming the challenges we face in the aftermath of the pandemic, such as social and economic inequality, the health of our planet and global security will be our areas of focus.

UNACTO will engage with our community to accomplish the SDGs through an accessible and intersectional approach—prioritizing women; Black, Indigenous and People of Colour (BIPOC); and LGBTQIA+ voices. Youth involvement will be a key component to our success, as we aim to equip young people with the awareness they need to become action-oriented global citizens.

Priorities

1. Thinking Global

2. Acting Local

3. Membership Experience

Sustain membership and develop methods to secure new members.

4. Organizational Health

Continue to grow and refine our administrative and culture practices to ensure the organization meets its goals efficiently and effectively.
